Treasury Department,

BUREAU OF THE MINT,

Washington, D. C., December 17, 1885.

Dear Sir:

I expect to spend Saturday in Philadelphia, and would like to make it a subject of inquiry on that day whether any trouble has arisen from acid fumes to the neighborhood of the Mint in times past; and hope that I may have

the pleasure of meeting
Dr. Booth, if he has
recovered from his
illness.

I would then also
like to inspect the
new vaults in the
Post Office Building.

Very respectfully yours,

~~John A. Marshall~~
